

New Phone Numbers for Cumulus Satellite Technical Services Desk and New York Technical Operations Center (TOC)

Effective on **Monday September 23, 2013**, Cumulus Media Networks technical staff is moving to a new building. **The number you call for Technical Services (including XDS satellite receiver help) is changing.**

Our 24-hour New York TOC will move in phases and will take longer to move. Please call the old number for now. When you hear a referral recording, then please call the new number below.

Department	Old Number	New Number
Technical Services Desk (including XDS satellite receiver help), 9AM-7PM ET Monday-Friday *** CHANGES 9/23/13 ***	212-456-5000 option 4	914-908-3210
New York TOC , 24 hours, 7 days *** CHANGING LATER ***	212-456-5000 option 3	When you hear a referral recording on the old number, please call: 914-908-3220
